

Quantitative Benefits

In addition to the qualitative benefits the airport provides, a recent study quantified the economic impacts of the airport to the local community. As shown in the adjacent table, the total economic impact of the airport includes on- and off-airport businesses, visitor spending, and the spin-off effects of those impacts.

On-airport impacts represent economic activities that would not occur if the airport did not exist. They include payroll, operating and capital expenditures made by the airport, airlines, FBO's, maintenance facilities, ground transportation, etc.

Off-airport impacts represent financial transactions that occur primarily off-airport and are associated with visitor spending. These expenditures may include items such as lodging, food, entertainment, and retail purchases.

Spin-off impacts are calculated using impact multipliers, which are used to reflect the recycling of dollars through the economy.

Direct Economic Impacts		Spin-Off Economic Impacts
On-Airport	Off-Airport	
FAA, Other Government Airport Management Aircraft Maintenance Vendors Retail & Restaurant Car Rental Parking Other Ground Transportation Fixed Base Operators	<u>Visitor Dependent Businesses</u> Hotels Retail & Restaurants Travel Agents Convention Centers Tourist Destinations	Suppliers of Materials & Services to Airports, Air Dependent Businesses and Visitor Dependent Businesses <u>Responding of Worker Income</u> Consumer Product and Service Sales
8 Jobs \$106,000 in Payroll \$263,000 in Economic Activity	1 Job \$16,000 in Payroll \$43,000 in Economic Activity	9 Jobs \$84,000 in Payroll \$261,000 in Economic Activity
18 Jobs, \$206,000 in Wages, \$567,000 in Economic Activity

EMPORIA-GREENSVILLE REGIONAL AIRPORT

An Assessment of Economic Impacts

Emporia-Greenville Regional Airport (EMV) is your gateway to Virginia business. It is centrally located on the Eastern Seaboard, directly off U.S. Rt. 58, 2 miles from downtown Emporia.

Emporia-Greenville Regional Airport is a modern business airport. It features a new terminal building, localizer approach system, and one of the longest jet runways found between Petersburg, Virginia and Rocky Mount, North Carolina.

Qualitative Benefits

The airport contributes quality-of-life benefits to the community through support of public events, law enforcement, agricultural spraying, emergency medical operations, and shipment of perishable goods. In addition, City and County government officials, as well as business and industry leaders use the airport to meet and entertain industrial and business prospects.
